

About Us

Dr. James Lawrence Thomas, Director of the Brain Clinic, is a clinical psychologist and neuropsychologist who was specialized in treating migraines and mild head injuries for over three decades.

He is **Board Certified in EEG Biofeedback** from the Biofeedback Certification Institute of America (BCIA-EEG). Dr. Thomas was awarded the Distinguished Service Award by the New York State Psychological Association (NYSPA) in June of 2000, and in October 2001 he was elected as Distinguished Practitioner of Psychology in the National Academies of Practice, one of the highest honors in the field.

He has post doctorate certificates in group therapy, cognitive therapy, relationship therapy, and neuropsychology, with seven books to his credit, including **Do you have Attention Deficit Disorder?** (Dell, 1996).

Dr. Thomas has degrees from UC Berkeley, Yale University, and CUNY, and has been on the Faculty of NYU Medical Center for over 30 years. He is Past President of the Independent Practice Division and the Neuropsychology Divisions of the New York State Psychological Association (NYSPA), and is on the Board of Directors of the International Dyslexia Association and the New York Academy of Traumatic Brain Injury.
